

Thomasville City Schools – GHSA Sports and Activities

The THS Athletic Department has a comprehensive program of athletic activities as a part of our commitment to ensure the development of physical fitness and personal health and the achievement of excellence. The Athletic Program contributes significantly to preparing our students for becoming productive, contributing citizens of our community and society. The aim is to develop a student with an improved self-image, the ability to learn a new skill, and an intrinsic motivation for growth and development. We want to see a student who will demonstrate a willingness to accept responsibility for his/her actions, measure him/herself against standards of quality, express ideas and solutions to problems, and value fair play, honesty, and cooperation.
