

Thomasville High School Dress Code

We believe students should dress for success. Part of being in school is learning how to dress for different occasions and situations, and within the norms of the community and setting. The principal or other duly authorized school official shall determine whether any particular style of dress, apparel, grooming or use of emblems, insignias, badges, or other symbols violate this rule. The dress code is in effect as long as the student is on campus on any day school is in session. Students must be in compliance with the dress code upon entering the building to avoid discipline consequences.
