

■ Preparticipation Physical Evaluation HISTORY FORM

(Note: This form is to be filled out by the patient and parent prior to seeing the physician. The physician should keep this form in the chart.)

Date of Exam _____

Name _____ Date of birth _____

Sex _____ Age _____ Grade _____ School _____ Sport(s) _____

Medicines and Allergies: Please list all of the prescription and over-the-counter medicines and supplements (herbal and nutritional) that you are currently taking

Do you have any allergies? Yes No If yes, please identify specific allergy below.
 Medicines Pollens Food Stinging Insects

Explain "Yes" answers below. Circle questions you don't know the answers to.

GENERAL QUESTIONS	Yes	No
1. Has a doctor ever denied or restricted your participation in sports for any reason?		
2. Do you have any ongoing medical conditions? If so, please identify below: <input type="checkbox"/> Asthma <input type="checkbox"/> Anemia <input type="checkbox"/> Diabetes <input type="checkbox"/> Infections Other: _____		
3. Have you ever spent the night in the hospital?		
4. Have you ever had surgery?		
HEART HEALTH QUESTIONS ABOUT YOU	Yes	No
5. Have you ever passed out or nearly passed out DURING or AFTER exercise?		
6. Have you ever had discomfort, pain, tightness, or pressure in your chest during exercise?		
7. Does your heart ever race or skip beats (irregular beats) during exercise?		
8. Has a doctor ever told you that you have any heart problems? If so, check all that apply: <input type="checkbox"/> High blood pressure <input type="checkbox"/> A heart murmur <input type="checkbox"/> High cholesterol <input type="checkbox"/> A heart infection <input type="checkbox"/> Kawasaki disease Other: _____		
9. Has a doctor ever ordered a test for your heart? (For example, ECG/EKG, echocardiogram)		
10. Do you get lightheaded or feel more short of breath than expected during exercise?		
11. Have you ever had an unexplained seizure?		
12. Do you get more tired or short of breath more quickly than your friends during exercise?		
HEART HEALTH QUESTIONS ABOUT YOUR FAMILY	Yes	No
13. Has any family member or relative died of heart problems or had an unexpected or unexplained sudden death before age 50 (including drowning, unexplained car accident, or sudden infant death syndrome)?		
14. Does anyone in your family have hypertrophic cardiomyopathy, Marfan syndrome, arrhythmogenic right ventricular cardiomyopathy, long QT syndrome, short QT syndrome, Brugada syndrome, or catecholaminergic polymorphic ventricular tachycardia?		
15. Does anyone in your family have a heart problem, pacemaker, or implanted defibrillator?		
16. Has anyone in your family had unexplained fainting, unexplained seizures, or near drowning?		
BONE AND JOINT QUESTIONS	Yes	No
17. Have you ever had an injury to a bone, muscle, ligament, or tendon that caused you to miss a practice or a game?		
18. Have you ever had any broken or fractured bones or dislocated joints?		
19. Have you ever had an injury that required x-rays, MRI, CT scan, injections, therapy, a brace, a cast, or crutches?		
20. Have you ever had a stress fracture?		
21. Have you ever been told that you have or have you had an x-ray for neck instability or atlantoaxial instability? (Down syndrome or dwarfism)		
22. Do you regularly use a brace, orthotics, or other assistive device?		
23. Do you have a bone, muscle, or joint injury that bothers you?		
24. Do any of your joints become painful, swollen, feel warm, or look red?		
25. Do you have any history of juvenile arthritis or connective tissue disease?		

MEDICAL QUESTIONS	Yes	No
26. Do you cough, wheeze, or have difficulty breathing during or after exercise?		
27. Have you ever used an inhaler or taken asthma medicine?		
28. Is there anyone in your family who has asthma?		
29. Were you born without or are you missing a kidney, an eye, a testicle (males), your spleen, or any other organ?		
30. Do you have groin pain or a painful bulge or hernia in the groin area?		
31. Have you had infectious mononucleosis (mono) within the last month?		
32. Do you have any rashes, pressure sores, or other skin problems?		
33. Have you had a herpes or MRSA skin infection?		
34. Have you ever had a head injury or concussion?		
35. Have you ever had a hit or blow to the head that caused confusion, prolonged headache, or memory problems?		
36. Do you have a history of seizure disorder?		
37. Do you have headaches with exercise?		
38. Have you ever had numbness, tingling, or weakness in your arms or legs after being hit or falling?		
39. Have you ever been unable to move your arms or legs after being hit or falling?		
40. Have you ever become ill while exercising in the heat?		
41. Do you get frequent muscle cramps when exercising?		
42. Do you or someone in your family have sickle cell trait or disease?		
43. Have you had any problems with your eyes or vision?		
44. Have you had any eye injuries?		
45. Do you wear glasses or contact lenses?		
46. Do you wear protective eyewear, such as goggles or a face shield?		
47. Do you worry about your weight?		
48. Are you trying to or has anyone recommended that you gain or lose weight?		
49. Are you on a special diet or do you avoid certain types of foods?		
50. Have you ever had an eating disorder?		
51. Do you have any concerns that you would like to discuss with a doctor?		
FEMALES ONLY		
52. Have you ever had a menstrual period?		
53. How old were you when you had your first menstrual period?		
54. How many periods have you had in the last 12 months?		

Explain "yes" answers here

I hereby state that, to the best of my knowledge, my answers to the above questions are complete and correct.

Signature of athlete _____ Signature of parent/guardian _____ Date _____

■ Preparticipation Physical Evaluation

THE ATHLETE WITH SPECIAL NEEDS: SUPPLEMENTAL HISTORY FORM

Date of Exam _____

Name _____ Date of birth _____

Sex _____ Age _____ Grade _____ School _____ Sport(s) _____

1. Type of disability		
2. Date of disability		
3. Classification (if available)		
4. Cause of disability (birth, disease, accident/trauma, other)		
5. List the sports you are interested in playing		
	Yes	No
6. Do you regularly use a brace, assistive device, or prosthetic?		
7. Do you use any special brace or assistive device for sports?		
8. Do you have any rashes, pressure sores, or any other skin problems?		
9. Do you have a hearing loss? Do you use a hearing aid?		
10. Do you have a visual impairment?		
11. Do you use any special devices for bowel or bladder function?		
12. Do you have burning or discomfort when urinating?		
13. Have you had autonomic dysreflexia?		
14. Have you ever been diagnosed with a heat-related (hyperthermia) or cold-related (hypothermia) illness?		
15. Do you have muscle spasticity?		
16. Do you have frequent seizures that cannot be controlled by medication?		

Explain "yes" answers here

Please indicate if you have ever had any of the following.

	Yes	No
Atlantoaxial instability		
X-ray evaluation for atlantoaxial instability		
Dislocated joints (more than one)		
Easy bleeding		
Enlarged spleen		
Hepatitis		
Osteopenia or osteoporosis		
Difficulty controlling bowel		
Difficulty controlling bladder		
Numbness or tingling in arms or hands		
Numbness or tingling in legs or feet		
Weakness in arms or hands		
Weakness in legs or feet		
Recent change in coordination		
Recent change in ability to walk		
Spina bifida		
Latex allergy

^aConsider ECG, echocardiogram, and referral to cardiology for abnormal cardiac history or exam.
^bConsider GU exam if in private setting. Having third party present is recommended.
^cConsider cognitive evaluation or baseline neuropsychiatric testing if a history of significant concussion.

- Cleared for all sports without restriction
- Cleared for all sports without restriction with recommendations for further evaluation or treatment for _____
- Not cleared
- Pending further evaluation
 - For any sports
 - For certain sports _____
- Reason _____ Recommendations _____

I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).

STUDENT/PARENT CONCUSSION AWARENESS FORM

SCHOOL: _____

DANGERS OF CONCUSSION

Concussions at all levels of sports have received a great deal of attention and a state law has been passed to address this issue. Adolescent athletes are particularly vulnerable to the effects of concussion. Once considered little more than a minor “ding” to the head, it is now understood that a concussion has the potential to result in death, or changes in brain function (either short-term or long-term). A concussion is a brain injury that results in a temporary disruption of normal brain function. A concussion occurs when the brain is violently rocked back and forth or twisted inside the skull as a result of a blow to the head or body. Continued participation in any sport following a concussion can lead to worsening concussion symptoms, as well as increased risk for further injury to the brain, and even death.

Player and parental education in this area is crucial – that is the reason for this document. Refer to it regularly. This form must be signed by a parent or guardian of each student who wishes to participate in GHSA athletics. One copy needs to be returned to the school, and one retained at home.

COMMON SIGNS AND SYMPTOMS OF CONCUSSION

- Headache, dizziness, poor balance, moves clumsily, reduced energy level/tiredness
- Nausea or vomiting
- Blurred vision, sensitivity to light and sounds
- Fogginess of memory, difficulty concentrating, slowed thought processes, confused about surroundings or game assignments
- Unexplained changes in behavior and personality
- Loss of consciousness (NOTE: This does not occur in all concussion episodes.)

BY-LAW 2.68: GHSA CONCUSSION POLICY: In accordance with Georgia law and national playing rules published by the National Federation of State High School Associations, any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion shall be immediately removed from the practice or contest and shall not return to play until an appropriate health care professional has determined that no concussion has occurred. (NOTE: An appropriate health care professional may include, licensed physician (MD/DO) or another licensed individual under the supervision of a licensed physician, such as a nurse practitioner, physician assistant, or certified athletic trainer who has received training in concussion evaluation and management.

- a) No athlete is allowed to return to a game or a practice on the same day that a concussion (a) has been diagnosed, OR (b) cannot be ruled out.
- b) Any athlete diagnosed with a concussion shall be cleared medically by an appropriate health care professional prior to resuming participation in any future practice or contest. The formulation of a gradual return to play protocol shall be a part of the medical clearance.
- c) It is mandatory that every coach in each GHSA sport participate in a free, online course on concussion management prepared by the NFHS and available at www.nfhslearn.com at least every two years – beginning with the 2013-2014 school year.
- d) Each school will be responsible for monitoring the participation of its coaches in the concussion management course, and shall keep a record of those who participate.

I HAVE READ THIS FORM AND I UNDERSTAND THE FACTS PRESENTED IN IT.

DATE: _____

**THOMASVILLE CITY SCHOOLS
ATHLETIC DEPARTMENT
INHERENT RISK**

We would like to take this opportunity to further inform you of the risk of injury while participating in athletics. There is an inherent risk of injury for all sports. You need to be aware of the fact that even the best coaching, the use of the most advanced protective equipment, and strict observance of the rules, injuries can be so severe as to result in total disability, paralysis, or even death. In summary, we take every precaution possible to prevent athletic injuries, but we also realize that using the best prevention methods can not eliminate all injuries. We always hope for an injury free season for all our student-athletes in the Thomasville City Schools System. We assure you that in an event of an injury your son/daughter will be given the best possible treatment, care and rehabilitation of that injury.

EXPLANATION OF INSURANCE COVERAGE

We want to take this opportunity to explain that in order to participate in athletics for the Thomasville City Schools, your child must be covered by either an accident insurance or personal insurance. The Thomasville High School athletic program utilizes the sports medicine program at Archbold Sports Medicine for an athlete's injuries. Any injury that occurs during a practice or game will be referred to the high school Athletic Trainer. The Athletic Trainer will then assess the injury and suggest appropriate treatment and/or recommend a visit to a specialized physician. We encourage all athletes and their parents to adhere to this policy to avoid unneeded medical expenses. If an athlete does receive medical attention, the cost of the treatment is the responsibility of the parent(s) and/or their health insurance. The Thomasville City Schools offers accident coverage through South Georgia Benefits Consultants located in Thomasville, Georgia.

EARLY RELEASE

From time to time, we must leave school with athletic teams before the school day is completed. When these situations arise, your child's name will appear on a roster that will be given to the attendance office and their teachers as to inform them of the absence. Athletes on trips with their team will not be counted absent; rather they will be coded for a field trip. The athlete is responsible for any and all work missed. The athletic department is aware of the importance of education so these occasions are kept to the bare minimum.

ARREST POLICY

Students are expected to abide by a behavior that goes above and beyond that of the average student as they serve in an ambassadorial role in our community. Those athletes that are arrested for a felony will be suspended from athletic participation until the case is dispensed.

THOMASVILLE CITY SCHOOLS
ATHLETIC DEPARTMENT
Parental Consent for Emergency Medical Treatment

The purpose of this document is to give my consent for emergency medical treatment and transportation of my minor child. Student's name: _____ Grade _____. I UNDERSTAND THAT IN THE EVENT OF SERIOUS INJURY OR SUDDEN ILLNESS OCCURRING TO MY CHILD, EVERY PRUDENT EFFORT WILL BE MADE BY THE SCHOOL AND/OR MEDICAL OFFICIAL TO CONTACT ME. IF I CANNOT BE CONTACTED, THIS DOCUMENT (OR PHOTOCOPY) WILL SERVE AS MY PARENTAL OR GUARDIANSHIP CONSENT.

I give my permission to the health care providers of the TCS Sports Medicine team (Physicians, ATC's, and Nurses, medical personnel, Archbold rehabilitation, and hospital staff) to perform physical examinations and treatments of sports related injuries. I understand by signing this form, I am authorizing them to treat my child for as long as they deem necessary and appropriate or until I withdraw my consent in writing.

General Information about Student Athlete

Date of Birth: _____

Address _____

Allergies: Daily Medications and reason for being taken

Relevant Medical information: Diabetes, major injuries, surgeries, contact lenses, epilepsy, heart murmurs, etc.

I, as guardian of _____, understand all of the above policies. I agree to allow him/her to participate in interscholastic sports in the Thomasville City Schools. I understand that sports have an inherent risk of injury and that my insurance will be used in the event of an injury. I know that my child may on occasions have to leave school early and he/she will be responsible for all work missed. I also understand and agree that my child should be held to a higher standard of behavior because of the role in the community. I will make every effort to encourage my child to behave in a manner that represents the school and the community well. I understand the policy regarding arrest and will abide by all decisions and policies of the Athletic Department.

Mandatory Extracurricular Drug Testing Program

Consent to Perform Urinalysis

All students involved in extra-curricular activities at Thomasville High School must agree to make themselves available for random drug testing. The test used will be a urinalysis. An outside party is responsible for all parts of the drug testing. For a first violation, the student athlete and his or her parents/guardians will be required to attend a specified amount of counseling with a program approved by the District. The student shall be required to comply with any recommendations resulting from the assessment/counseling as part of the assessment. To deter the student from committing a subsequent violation of this policy, the student will be subject to an unannounced random drug test/screening and will be added to the list of those tested in the next round of testing/screening. A student testing positive for a second violation, he/she will lose 20% of his/her participation in all inter-scholastic competition (rounded up to the nearest whole number). The student must participate in an approved drug counseling program. Once a student has a third subsequent positive drug test, he/she shall be prohibited from participation from all inter-scholastic competitions for one (1) full calendar year from the date of the positive test. The full policy and procedure is on file in the Athletic Director's office.

I have read and understand the policy and procedures for the Thomasville City Schools Drug Testing Program for students involved in extracurricular activities and hereby give my consent for my son/daughter to participate in the appropriate urinalysis-testing program conducted by the contracted agency chosen by Thomasville City Schools.
